## Key Highlights of Stavropol state medical university (SSMU)

1. **Government Institution:** Established in 1938, SSMU is accredited by Russia's Ministry of Health and other international bodies, ensuring global recognition.
2. **Recognitions and Approvals:**
  - Compliance with NMC Regulations: Offers a 6-year MBBS course (5 years of coursework + 1-year internship), fully aligned with India's NMC guidelines for foreign medical graduates.
  - World Health Organization (WHO): Listed in the World Directory of Medical Schools, affirming global credibility and recognition.
  - Educational Commission for Foreign Medical Graduates (ECFMG): Accredited by ECFMG, enabling graduates to appear for USMLE and practice or pursue further studies in the USA.
  - Foundation for Advancement of International Medical Education and Research (FAIMER): Recognized by FAIMER, facilitating international recognition and postgraduate opportunities worldwide.
3. **Excellent FMGE Results:** Many SSMU graduates succeed in the FMGE due to a curriculum that aligns with global standards, offering both theoretical and practical knowledge.
4. **English Medium Instruction:** All medical courses are delivered entirely in English, making it convenient and easily adaptable for Indian students, eliminating language barriers and facilitating effective learning.
5. **Affordable & Transparent Fee Structure:** Offers competitively priced tuition and accommodation fees, significantly lower compared to private medical colleges in India, making it accessible to a wide range of Indian families.
6. **Extensive Clinical Training:** SSMU provides extensive practical training through its affiliated hospitals, which is essential for the FMGE's clinical portion.
7. **Modern Infrastructure:** The academy is equipped with modern lecture halls, advanced laboratories, simulation centers, digital libraries, and comfortable on-campus hostels, ensuring a comprehensive and quality learning environment.
8. **Highly Experienced Faculty:** Faculty comprises highly qualified professors, associate professors, and clinical experts, offering personalized mentoring and fostering academic excellence.
9. **Multicultural Campus Environment:** SSMU welcomes students from all around the world, fostering a diverse and inclusive atmosphere that promotes cultural exchange and broadens global awareness among its students.

- 10. Safe and Comfortable Living:** SSMU offers a vibrant campus life with extracurricular activities and is located in Stavropol, Russia, known for its mild climate and affordable living costs, welcoming atmosphere conducive for Indian students' adjustment and overall well-being.
