- NEET score (only for applicants from India).

When sending your documents by email, please include the name of the desired program in the subject line. Once we receive all the required documents, the evaluation process and issuance of the Admission Letter will take approximately 1 to 3 business days.

Step 2: TELEX Number Application

After the student receives the Admission Letter, they should pay the full first-year expenses as indicated in the Invoice, which is sent together with the Admission Letter. The TELEX number is a crucial document required for

the visa application process. Once the payment is completed and confirmed, the TELEX number will be issued, this process may take up to 14 business days.

Step 3: Visa Application

Please note that students from certain countries may be eligible to obtain a visa on arrival in Uzbekistan. Visa-related instructions will be provided individually for each student based on their nationality and case.

Important: Citizens of India and Pakistan must apply for a study visa only through the Embassy of Uzbekistan in their home country.

It is essential to inform the University at least 5 working days prior to the student's arrival in Uzbekistan. This advance notice is required so that we can arrange airport pickup and inform the Migration Office accordingly.

Please be advised that failure to notify the University in advance may result in refusal of entry at the airport, as immigration authorities must be officially informed prior to the student's arrival.
