- Mess charges extra \$1300 mandatory for first academic year
- Hostel accommodation charges 1000-1200 USD a year (depends on the quality of the hostel), hostel is mandatory for the first academic year
- The final cost of any item or package is determined by the given currency value on the day of payment

Note: While tuition fees typically remain consistent year over year, the University reserves the right to alter fees to account for inflation or institutional policy changes.

Why Study MBBS at Asfendiyarov Kazakh National Medical University?

1. One of the top-ranked medical universities in Kazakhstan, known for strong academics and clinical training.
2. Located in a region rich in natural and pure mineral resources, offering a healthy and vibrant environment.
3. Kazakhstan has become a leading education hub in Central Asia, attracting students from around the world.
4. The university follows a structured academic pattern, each semester runs for five months, giving students steady, focused learning.
5. The MBBS program is offered fully in English, which makes it easier for international students to adapt.
6. Tuition fees are comparatively lower than many other medical universities abroad.
7. Students learn from highly qualified faculty, ensuring strong fundamentals and practical exposure.
8. The campus is one of the largest in the country, with modern facilities that support both academic and student life.
